## **I. BACKGROUND**

A. On August 18, 1999, the United States of America ("United States"), on behalf of the United States Environmental Protection Agency ("EPA"), filed a complaint in this matter ("Complaint") against Ponderosa Fibres of America, Inc. ("PFA"), pursuant to Section 107 of the Comprehensive Environmental Response, Compensation, and Liability Act of 1980, 42 U.S.C. § 9607, as amended ("CERCLA"), seeking reimbursement of response costs incurred at or in connection with the release or threatened release of hazardous substances at the St. Lawrence Pulp and Paper Superfund Site, in the City of Ogdensburg, St. Lawrence County, New York ("Site").

B. On October 13, 2000, Magistrate Judge Ralph W. Smith, Jr. granted the United States' Motion to Amend its Complaint to add Section 107 claims, 42 U.S.C. § 9607, against PFA President Martin Bernstein and Vice President Jerome Goodman. The United States' Amended Complaint also added claims for fraudulent conveyance, under Sections 3304 and 3306 of the Federal Debt Collection Procedures Act ("FDCPA"), 28 U.S.C. §§ 3304, 3306, and under the Federal Priority Statute, 31 U.S.C. §§ 3701, *et seq.*, against Martin Bernstein, Nathan Bernstein, Jeffrey Feil, the Estate of Louis Feil, Roland O.A. Fjallstrom and Robert L. Pitman. PFA appealed the Magistrate Judge's Order. On May 21, 2001, this Court issued an order denying PFA's appeal and permitting the United States to join parties and amend its Complaint.

C. The Defendants that have entered into this Consent Decree ("Settling Defendants") do not admit any liability to Plaintiff arising out of the transactions or occurrences alleged in the Amended Complaint.

D. The United States and Settling Defendants agree, and this Court by entering this Consent Decree finds, that this Consent Decree has been negotiated by the Parties in good faith, that settlement

of this matter will avoid prolonged and complicated litigation between the Parties, that this Consent Decree is fair, reasonable and in the public interest, and that there is no just reason for delaying entry.

THEREFORE, with the consent of the Parties to this Decree, it is ORDERED, ADJUDGED, AND DECREED:

## **II. JURISDICTION**

1. This Court has jurisdiction over the subject matter of this action pursuant to 28 U.S.C. 1331, 1345, 2201 and 3001 *et seq.*, and 42 U.S.C. §§ 9607 and 9613(b). Settling Defendants consent to and shall not challenge entry of this Consent Decree or this Court's jurisdiction to enter and enforce this Consent Decree.

## **III. PARTIES BOUND**

2. This Consent Decree is binding upon the United States and upon Settling Defendants and their successors and assigns. The obligations of Settling Defendants to pay amounts owed to the United States under this Consent Decree, including the payment required by this Paragraph and Stipulated Penalties, are joint and several. In the event of the failure of any one Settling Defendant to make any payment required under this Consent Decree, the remaining Settling Defendants shall be responsible for such payment. Payment shall be made by FedWire Electronic Funds Transfer ("EFT") to the DOJ account in accordance with current EFT procedures, referencing USAO File Number 1999v00729, EPA Region II and Site Spill ID Number 02-GV<sup>1</sup>, and DOJ Case Number 90-11-2-1223/1. Any payments received by the DOJ after 4:00 p.m. Eastern Time shall be credited on the next business day. Settling Defendants shall send notice to EPA and DOJ that payment has been made, in accordance with Section XII (Notices and Submissions).

## **VI. FAILURE TO COMPLY WITH REQUIREMENTS OF CONSENT DECREE**

5. Interest on Late Payments. In the event that any payment required by Section VI, Paragraph 6 (Stipulated Penalty), is not received when due, Interest shall accrue on the unpaid balance from the day after payment is due through the date of payment.

6. Stipulated Penalty.

a. If any amounts due to the EPA under this Consent Decree are not paid by the required date, Settling Defendants shall pay to EPA, as a stipulated penalty, in addition to the Interest required by Paragraph 5, \$1000.00 per violation per day that such payment is late.

b. Stipulated penalties are due and payable within 30 days after the date of the demand for payment of the penalties by EPA. All payments to EPA under this Paragraph shall be made by certified or cashier's check made payable to "EPA Hazardous Substance Superfund" and shall be sent to:

All payments to EPA shall indicate that the payment is for stipulated penalties and shall reference the name and address of the party making payment, the EPA Region and Site Spill ID Number 02-GV, USAO File Number 1999v00729, and DOJ Case Number 90-11-2-1223/1. Copies of check[s]

paid pursuant to this Paragraph, and any accompanying transmittal letter[s], shall be sent to EPA and DOJ as provided in Section XII (Notices and Submissions), and to the Chief, Financial Management Branch, U.S. Environmental Protection Agency, Region II, 290 Broadway, New York, NY 10007-1866.

c. Penalties shall accrue as provided in this Paragraph regardless of whether EPA has notified Settling Defendants of the violation or made a demand for payment, but need only be paid upon demand. All penalties shall begin to accrue on the day after complete performance is due or the day a violation occurs, and shall continue to accrue through the final day of correction of the noncompliance or completion of the activity. Nothing herein shall prevent the simultaneous accrual of separate penalties for separate violations of this Consent Decree.

7. If the United States brings an action to enforce this Consent Decree, Settling Defendants shall reimburse the United States for all costs of such action, including but not limited to costs of attorney time.

8. Payments made under Paragraphs 5-7 shall be in addition to any other remedies or sanctions available to Plaintiff by virtue of Settling Defendants' failure to comply with the requirements of this Consent Decree.

9. Notwithstanding any other provision of this Section, the United States may, in its unreviewable discretion, waive payment of any portion of the stipulated penalties that have accrued pursuant to this Consent Decree.

## **VII. COVENANT NOT TO SUE BY PLAINTIFF**

10. Covenant Not to Sue by Plaintiff. Except as specifically provided in Paragraph 11 (Reservation of Rights by United States), the United States covenants not to sue Settling Defendants: (a) to recover Past Response Costs, pursuant to Section 107(a) of CERCLA, 42 U.S.C. § 9607(a);

(b) to invalidate the Transfers from PFA to Settling Defendants, pursuant to Sections 3304 and 3306 of the FDCPA, 28 U.S.C. §§ 3304, 3306, or Section 3713(b) of the Federal Priority Statute, 31 U.S.C. § 3713(b), as specified in the Amended Complaint; or (c) to issue an injunction against, or to freeze or impose a Constructive Trust upon, the assets of Settling Defendants, as specified in the Amended Complaint. This covenant not to sue shall take effect upon receipt by EPA of all payments required by Section V, Paragraph 4 (Payment of Past Response Costs to the EPA Hazardous Substance Superfund) and Section VI, Paragraphs 5 (Interest on Late Payments) and 6(a) (Stipulated Penalty for Late Payment). This covenant not to sue is conditioned upon the satisfactory performance by Settling Defendants of their obligations under this Consent Decree. This covenant not to sue extends only to Settling Defendants and does not extend to any other person.

11. Reservation of Rights by United States. The covenant not to sue set forth in Paragraph 10 does not pertain to any matters other than those expressly specified therein. The United States reserves, and this Consent Decree is without prejudice to, all rights against Settling Defendants with respect to all other matters, including but not limited to:

- a. liability for failure of Settling Defendants to meet a requirement of this Consent Decree;
- b. liability for damages for injury to, destruction of, or loss of natural resources, and for the costs of any natural resource damage assessments;
- c. criminal liability;
- d. liability for injunctive relief or administrative order enforcement under Section 106 of CERCLA, 42 U.S.C. § 9606; and
- e. liability for costs incurred or to be incurred by the United States that are not within the definition of Past Response Costs.

## **VIII. COVENANT NOT TO SUE BY SETTLING DEFENDANTS**

12. Settling Defendants covenant not to sue and agree not to assert any claims or causes of action against the United States, or its contractors or employees, with respect to Past Response Costs or this Consent Decree, including but not limited to:

a. any direct or indirect claim for reimbursement from the Hazardous Substance Superfund based on Sections 106(b)(2), 107, 111, 112, or 113 of CERCLA, 42 U.S.C. §§ 9606(b)(2), 9607, 9611, 9612, or 9613, or any other provision of law;

b. any claim arising out of response actions at the Site for which Past Response Costs were incurred; and

c. any claim against the United States pursuant to Sections 107 and 113 of CERCLA, 42 U.S.C. §§ 9607 and 9613, relating to Past Response Costs.

13. Nothing in this Consent Decree shall be deemed to constitute approval or preauthorization of a claim within the meaning of Section 111 of CERCLA, 42 U.S.C. § 9611, or 40 C.F.R. 300.700(d).

## **IX. EFFECT OF SETTLEMENT/CONTRIBUTION PROTECTION**

14. Nothing in this Consent Decree shall be construed to create any rights in, or grant any cause of action to, any person not a Party to this Consent Decree. Each of the Parties expressly reserves any and all rights (including, but not limited to, any right to contribution), defenses, claims, demands, and causes of action which each Party may have with respect to any matter, transaction, or occurrence relating in any way to the Site against any person not a Party hereto.

15. The Parties agree, and by entering this Consent Decree this Court finds, that Settling Defendants are entitled, as of the effective date of this Consent Decree, to protection from contribution actions or claims as provided by Section 113(f)(2) of CERCLA, 42 U.S.C. § 9613(f)(2), for "matters

addressed” in this Consent Decree. The “matters addressed” in this Consent Decree are Past Response Costs.

16. Settling Defendants agree that, with respect to any suit or claim for contribution brought by any one or more of them for matters related to this Consent Decree, they will notify EPA and DOJ in writing no later than 60 days prior to the initiation of such suit or claim. Settling Defendants also agree that, with respect to any suit or claim for contribution brought against one or more of them for matters related to this Consent Decree, they will notify EPA and DOJ in writing within 10 days of service of such claim or of the complaint in such suit. In addition, Settling Defendants shall notify EPA and DOJ within 10 days of service or receipt of any motion for summary judgment, and within 10 days of receipt of any order from a court setting a case for trial, for matters related to this Consent Decree.

17. In any subsequent administrative or judicial proceeding initiated by the United States for injunctive relief, recovery of response costs, or other relief relating to the Site, Settling Defendants shall not assert, and may not maintain, any defense or claim based upon the principles of waiver, res judicata, collateral estoppel, issue preclusion, claim-splitting, or other defenses based upon any contention that the claims raised by the United States in the subsequent proceeding were or should have been brought in the instant case; provided, however, that nothing in this Paragraph affects the enforceability of the Covenant Not to Sue by Plaintiff set forth in Section VII.

#### **X. ACCESS TO INFORMATION**

18. Settling Defendants shall provide to EPA, upon request, copies of all documents and information within their possession or control or that of their contractors or agents relating to activities at the Site, including, but not limited to, sampling, analysis, chain of custody records, manifests, trucking logs, receipts, reports, sample traffic routing, correspondence, or other documents or information related to the Site, except that Settling Defendants need not provide duplicate copies of documents and

information that they or their counsel have already provided to EPA and that remain in EPA's possession.

19. Confidential Business Information and Privileged Documents.

a. Settling Defendants may assert business confidentiality claims covering part or all of the documents or information submitted to Plaintiff under this Consent Decree to the extent permitted by and in accordance with Section 104(e)(7) of CERCLA, 42 U.S.C. § 9604(e)(7), and 40 C.F.R. 2.203(b). Documents or information determined to be confidential by EPA will be accorded the protection specified in 40 C.F.R. Part 2, Subpart B. If no claim of confidentiality accompanies documents or information when they are submitted to EPA, or if EPA has notified Settling Defendants that the documents or information are not confidential under the standards of Section 104(e)(7) of CERCLA, the public may be given access to such documents or information without further notice to Settling Defendants.

b. Settling Defendants may assert that certain documents, records or other information are privileged under the attorney-client privilege or any other privilege recognized by federal law. If Settling Defendants assert such a privilege in lieu of providing documents, they shall provide Plaintiff with the following: 1) the title of the document, record, or information; 2) the date of the document, record, or information; 3) the name and title of the author of the document, record, or information; 4) the name and title of each addressee and recipient; 5) a description of the subject of the document, record, or information; and 6) the privilege asserted. However, no documents, reports or other information created or generated pursuant to the requirements of this or any other consent decree with the United States shall be withheld on the grounds that they are privileged. If a claim of privilege applies only to a portion of a document, the document shall be provided to Plaintiff in redacted form to mask the privileged information only. Settling Defendants shall retain all records and documents that

they claim to be privileged until the United States has had a reasonable opportunity to dispute the privilege claim and any such dispute has been resolved in Settling Defendants' favor.

20. No claim of confidentiality shall be made with respect to any data, including but not limited to, all sampling, analytical, monitoring, hydrogeologic, scientific, chemical, or engineering data, or any other documents or information evidencing conditions at or around the Site.

#### **XI. RETENTION OF RECORDS**

21. Until ten years after the entry of this Consent Decree, Settling Defendants shall preserve and retain all records and documents now in their possession or control, or which come into their possession or control, that relate in any manner to response actions taken at the Site or the liability of any person for response actions conducted and to be conducted at the Site, regardless of any retention policy to the contrary, except for records and documents that Defendants or their counsel already provided to EPA.

22. After the conclusion of the document retention period in the preceding paragraph, Settling Defendants shall notify EPA and DOJ at least 90 days prior to the destruction of any such records or documents, and, upon request by EPA or DOJ, Settling Defendants shall deliver any such records or documents to EPA or DOJ, except those that Settling Defendants or their counsel already provided to EPA or DOJ which remain in EPA's or DOJ's possession. Settling Defendants may assert that certain documents, records, or other information are privileged under the attorney-client privilege or any other privilege recognized by federal law. If Settling Defendants assert such a privilege, they shall provide Plaintiff with the following: 1) the title of the document, record, or information; 2) the date of the document, record, or information; 3) the name and title of the author of the document, record, or information; 4) the name and title of each addressee and recipient; 5) a description of the subject of the document, record, or information; and 6) the privilege asserted. However, no documents, reports, or

other information created or generated pursuant to the requirements of this or any other consent decree with the United States shall be withheld on the grounds that they are privileged. If a claim of privilege applies only to a portion of a document, the document shall be provided to Plaintiff in redacted form to mask the privileged information only. Settling Defendants shall retain all records and documents that they claim to be privileged until the United States has had a reasonable opportunity to dispute the privilege claim and any such dispute has been resolved in Settling Defendants' favor.

23. By signing this Consent Decree, Settling Defendants certify that, to the best of their knowledge and belief, they have:

a. conducted a thorough, comprehensive, good faith search for documents, and have fully and accurately disclosed to EPA, all information currently in their possession, or in the possession of their officers, directors, employees, contractors or agents, which relates in any way to the ownership, operation or control of the Site, or to the ownership, possession, generation, treatment, transportation, storage or disposal of a hazardous substance, pollutant or contaminant at or in connection with the Site;

b. not altered, mutilated, discarded, destroyed or otherwise disposed of any records, documents or other information relating to their potential liability regarding the Site, after notification of potential liability or the filing of a suit against Settling Defendants regarding the Site; and

c. fully complied with any and all EPA requests for information regarding the Site pursuant to document production requests and pursuant to Sections 104(e) and 122(e) of CERCLA, 42 U.S.C. §§ 9604(e) and 9622(e).

other Parties in writing. Written notice as specified herein shall constitute complete satisfaction of any written notice requirement of the Consent Decree with respect to the United States, EPA, DOJ, and Settling Defendants, respectively.
